Shall I refer her to the crime commission? perhaps to Harold?

Her question makes no sense. Anyway, there is no legislation pending or planned for 2017 to eliminate parole (unfortunately).

Recommendation for Criminal Justice Reform in TN

Dear Ms Taylor,

I am writing this email for my son who is on staff at Lois DeBerry Special Needs Facility. He has concerns about the recommendation that the parole board be done away with only for those sentenced after the law is passed and not those about to meet their "red date" as well. All serve to their minimum presumptive release date, and with good behavior should be released at the time without the vagaries and possible unfairness of a subjective, discretionary parole board.

We would appreciate your help in telling us who he should write to with his concerns and recommendations? Who will now be voting on this and perhaps take this into consideration before making the final decision ?

Please feel free to contact me with any questions or concerns you may have.

Thank you,
Myrna Salomon
